

Kobe City Tarumi Seaside

zichi Lorentz 2009

About this book

Tarumi Seaside area of Kobe City, Japan

Kobe City, Tarumi Seaside

The Kobe City area of Tarumi Seaside is a pleasant area to visit with a shopping area, called Marine Pia, which includes many factory outlets. Good for buying clothes and shoes at reduced prices. From Tarumi there are good views of Awaji Island and the world's longest suspension bridge, Akashi Bridge. It's a very popular place for fishing.
