About this book

Asagiri is a part of Akashi City, Hyogo
Prefecture, Japan

Asagiri is part of Akashi City, Japan. Near Kobe City. Great beaches and seafront for relaxing, exercising, walking-the-dog, painting, photography. Great views of the Akashi Kaikyo suspension bridge and sunsets.

Asagiri Broadwalk

One of my favorites is this rock beach

Great views of the Akashi Kaikyo suspension bridge

Awaji Island in the background

Akashi Kaikyo suspension bridge is the world's longest

There was a sudden temperature drop, it was very cold

A place of great sunsets

Interesting place after dark and busy with people of all ages running or walking

SEIKO TIME

J.S.T.M.

SEIKO TIME

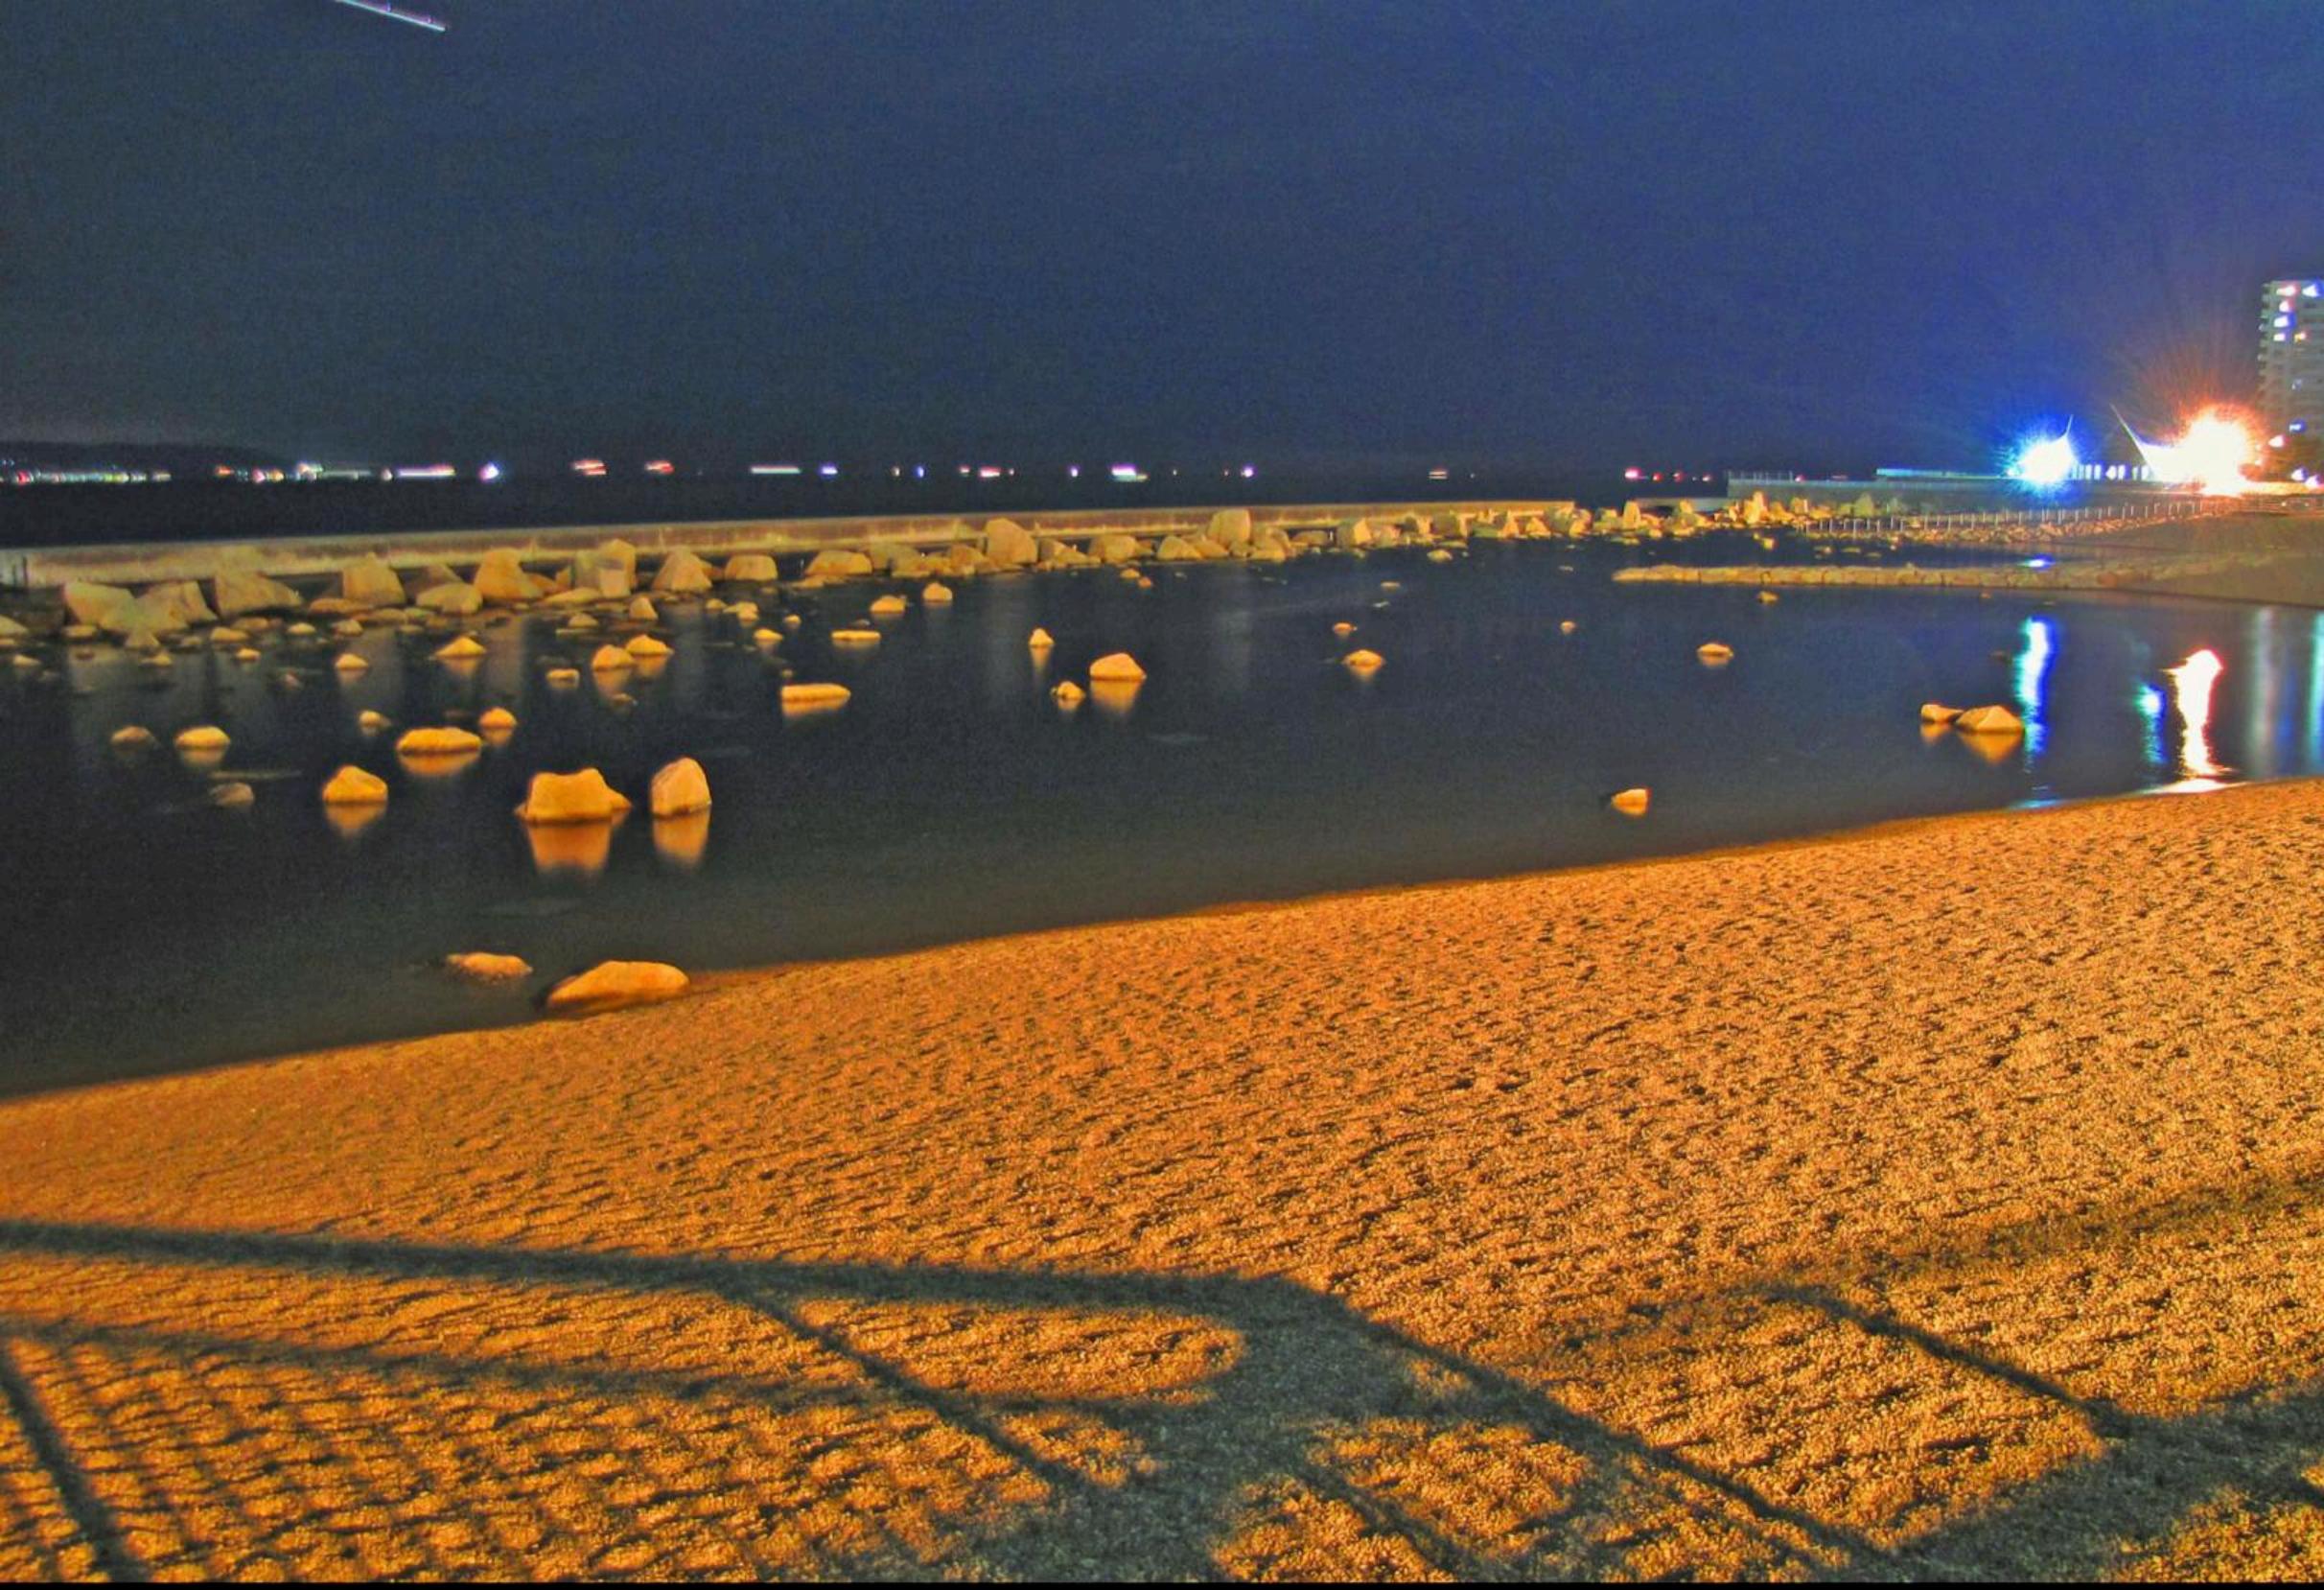

The suspension bridge is lit during the evening with the colors changing every hour

There are shelters designed like sails
